Unit 4: Exercise 9

Read the text about the Burj Khalifa. Then complete the exercise on the next screen.

A The Burj Khalifa is a modern skyscraper in Dubai, United Arab Emirates. It is made of metal and glass and it is over 800 metres high. Many people from all over the world visit the Burj Khalifa every day. Visitors can take a lift to the 148th floor and look out of the windows at the city. Inside the Burj Khalifa, visitors can eat in the highest restaurant in the world, which serves fantastic food. Visitors can also look at and enjoy paintings by famous artists from the Middle East. They can even stay there for the night, in the world's highest luxury hotel. The Burj Khalifa is not only for tourists as many people live in the building, in luxury apartments or work in one of the many offices inside the building. It is also a good place to celebrate special occasions. For example, on New Year's Eve, many people go to the Burj Khalifa to see the famous fireworks at midnight.

B The Burj Khalifa is an important tourist place in Dubai, because it is the highest building in the world. It is also the most popular place to visit in the United Arab Emirates. Many people from all over the world want to go to the top of the world's highest building and put their photos on the internet. Many people see the photos and then want to visit Dubai. The Burj Khalifa is popular with people of all ages. Young people, families and older people will all enjoy visiting this amazing building. If you want to visit Dubai, you should definitely go to the Burj Khalifa.

Match the information with paragraph A or B. Read the text about the Burj Khalifa on the first screen again to help you.
