Read the text. Choose the correct answers.

My food is pizza. I like pizzas because they are very easy to prepare. If you want to your own pizza, all you need to do is make the bread for the base. This is called the dough. You can tomatoes and cheese and other ingredients on top. You then it in the oven for 10 to 15 minutes until it is ready to eat. If you don't feel like making pizza, you can buy pizza from your local supermarket and just put it in the oven when you get home. Nowadays, of people are so busy that they don't have time to cook at home or they like to have a rest the weekend. These people often eat pizza, but they go a takeaway restaurant and buy a pizza that has already been cooked.
