IV. Read and complete the sentences below. You can use 1, 2 or 3 words. (3 pts)

At our school we have a big computer room. We have 12 computers in the room, one for every student. The computers have headphones, so the students can listen and speak.

In the computer room, the students can study English, music and math. They do art here, too. The computers can help students to read and write.

The students come to the computer room every Monday and Friday. Everyone likes these lessons.

Example: *We have a big* ***<u>computer room.</u>***

1. There are .....in the room, one for every student.
2. The computers also have..... for students to listen and speak.
3. The students can study English, music, math and .....in the computer room.
4. The computers .....students to read and write.
5. On .....the students come to the computer room.
6. All the students likes these .....
