

**Name:** \_\_\_\_\_

**Report the following imperatives, statements and questions.**

1. "Sit next to me and listen what I want to tell you!"

She asked me

2. "Did you have a fight with your wife yesterday?"

She asked me

3. "How is the process to get a Visa?"

She asked me

4. "I won't leave you alone until I see you are fine."

She told me that

5. "Don't make promises you won't keep!"

He asked me

6. "Do you find this grammar topic easy?"

She asked me

7. "My mom has never said a bad word to me."

They said that

8. "Take risks to find something you love to do and be happy!"

He recommended me

9. "I can't tell you anything because it's a secret."

She said that

10. "Shall we help your little brother to finish his tasks?"

She asked me

11. "Don't come here begging for one more chance when you know the answer."

He asked me

12. "Call me when you feel ready to face this situation."

She asked me

13. "Which is the best memory you have with your family?"

He asked me

14. "How old is the guy you talked about last night?"

She asked me
