b. scuba diving

c. barefoot water skiing
d. bungee jumping

e. BMX racing
d. football

Just for Fun!

1 Does it hurt your feet?

No. I don't think about my feet because it's so much fun!
I love the speed¹ and the wind in my face.

You're very good at it. Do you practice a lot?

Yes, I do. On Fridays we have big competitions.

2 How often do you race?

We race at least once a week – if it doesn't rain.

It looks dangerous. Why do you do it?

I race just for fun!

10 What do you wear when you race?

We wear helmets, gloves and special clothes to protect us.

Well, have a good time – and be careful!

3 Is it scary under the water?

No. I love the quiet and there are amazing fish in the Red Sea. It's a different world under the water.

Is this an expensive sport?

Yes, it is. You have to pay for lessons, and the equipment is expensive.

Is it dangerous? Who do you dive with?

It can be dangerous. We always dive with a partner.

4 Is that a snowboard?

No. It looks like a snowboard, but it's different. We don't use it on snow, we use it on sand.

Really? Where do you go to do that?

We go to sand dunes² between Ashdod and Rishon Lezion. It's a great sport because we can do it all year round.

Is it a dangerous activity?

No. Teenagers, adults and young children can all do it!

5 Where do you jump from?

We usually jump from a bridge over a river, or over the sea.

I think it looks scary. Is it dangerous?

No. It isn't really dangerous. The rope³ doesn't let you hit the water. I don't even wear a helmet.

How does it feel?

It's very exciting. I get a great feeling as I fly through the air.

¹speed מהירות / سرعة

²sand dunes ديونت تول / كثبان رملية

⁴rope حبل / جبل
