

## UNIT 7: Language 7th

### Grammar and Vocabulary 2

#### 1.- Read

a bat

a painting

ancestors

Caves are full of life, such as bears, snakes, and (1) \_\_\_\_\_.  
Caves used to be full of human life, too. We know that our (2) \_\_\_\_\_  
lived in caves thousands of years ago because they made (3) \_\_\_\_\_  
on the cave walls. In caves, water drips through the rocks to form stalactites and  
(4) \_\_\_\_\_. They grow slowly. When a stalactite and stalagmite  
meet, they form a (5) \_\_\_\_\_. This can take thousands of years!  
Here is an easy way to remember the difference. Stalagmites rise from the ground.  
(6) \_\_\_\_\_ hang from the ceiling!

## 2.- Study the grammar
