

What were you doing when the storm began?

What were youwhen the storm began?

When the lighting hit and the water ran.

Where you when the rain came down?

On the mountains, at the beach, in the..... or the town.

I wasup the mountain,

He was skating over the lake,

We were in the park,

She was eating a piece of cake,

They were in the river,

He was sailing on the sea,

She climbing up the wall,

I was sitting under a tree

What you doing when the storm began?

When the lighting hit and theran.

(Repeat)

Where were you the rain came down?

On the mountains, at the, in the forest or the town.

On the mountains, at the beach, in the forest or the town.
