My favourite T-shirt *page 34*

My favourite jumper in the washing machine,
The washing machine, the washing machine,
My favourite jumper in the washing machine,
Now my jumper is clean!
Oh yes!
Now my jumper is clean!

My favourite T-shirt in the washing machine,
The washing machine, the washing machine,
My favourite T-shirt in the washing machine,
Now my T-shirt is green!
Oh no!
Now my T-shirt is green!
