

1. Write the adjectives in the comparative form

Of course, good health is (1) _____ (important) than everything. I started doing regular exercise six months ago and I already feel a lot (2) _____ (healthy) and (3) _____ (strong). I am also (4) _____ (thin) now, which is great – 60 kilos instead of 65. Some types of exercise are (5) _____ (good) than others. I prefer swimming to running. You get (6) _____ (hot) running and running shoes are always (7) _____ (expensive) than a swimming costume. But it's (8) _____ (difficult) to find a place to swim than to find a place to run. Some people say that swimming in a pool is (9) _____ (boring) than running in a park. Perhaps that's true. But I think running is (10) _____ (bad) for your knees than swimming.

2. Choose the correct comparative adjectives

colourful, comfortable, expensive, fashionable, formal
