

DREAM FOR YOU

Casting Crowns

Hey, David, I heard you've been dreaming
About being a big time shepherd some day
You're gonna prove your _____ wrong
You're gonna _____ your shepherd song
To the cattle on a thousand hills
But I've been thinking

I'm _____ trouble with a giant down the road
You're the one who's going to face him toe to toe
Wipe that grin right off his _____
And whip this army into shape
I'm going to turn the nation back to me
And David, you're right about one thing
Your _____ shepherd songs are going to make the whole world sing
And I'm gonna make you king

So come on, let me _____, let me dream for you
I am strong when you're _____ and I'll carry you
So let go of your plan, be _____ by my hand
I'll show you what I can do
When I dream for you
I have a dream for you

Hey Mary, I've heard you've been dreaming
Making plans for your big wedding day
You and Joseph are gonna be

The picture perfect _____
Maybe a _____ of kids down the road
But I've been thinking

Even before time _____
I had a picture perfect plan
Of how to save this _____ world
Through the life of just one man
I'm gonna _____ my only son
And Mary, you're the one
You were right about one thing
You're gonna have that family
And you're gonna raise a _____

I'm stronger than you _____ I am
I'll take you farther than you think you can
You sing and _____ me great I am
So take your stand
My child, if you only _____
All the plans that I have for you
Just trust me, I will follow through
You can _____ me
