

**Task 4: Using the words below. Complete the description of a job. Can you guess which job it is?**

**balance      schedule      during      depending on      spending      realized**

A lot of people think I've got a fun and easy job, but I've been in this job for about five years and I (1) \_\_\_\_\_ that it is harder than it looks. First, it's really hard to have a social life because you're traveling so much. I may be away from home for several days each week (2) \_\_\_\_\_ the flight route. And my work (3) \_\_\_\_\_ is always changing: nights, weekends, and even holidays.

Besides, this job is also hard on my back. (4) \_\_\_\_\_ the flight, I stand a lot and am serving people, helping them with their luggage. Sometimes I get about eight hours of rest between shifts, but it is just not long enough. I have to (5) \_\_\_\_\_ commuting, eating, sleeping, and (6) \_\_\_\_\_ some time with my family.
