My favourite street

Welcome to my favourite _____
Where we live and play.
Houses, shops and _____
Where we go every day.

A park with lots of water,
Where we can splash our feet.
A _____ in a forest
On my favourite street!

Flats up in tall buildings,
Where we eat and sleep.
_____ with pretty flowers
On my favourite street!

All the toys in the world
And lots of friends to meet.
In my favourite toy _____
On my favourite street!
