My favourite street

Welcome to my favourite
Where we live and play.
Houses, shops and
Where we go every day.
A park with lots of water,
Where we can splash our feet.
A in a forest
On my favourite street!

Flats up in tall buildings,
Where we eat and sleep.
 with pretty flowers
On my favourite street!
All the toys in the world
And lots of friends to meet.
In my favourite toy
On my favourite street!
