Haizerrota

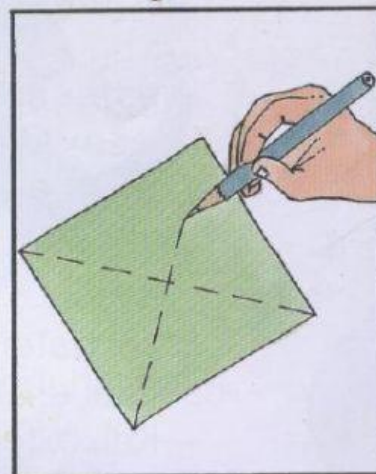

Haizerrota bat egingo al dugu?
Begira zein erraza den!

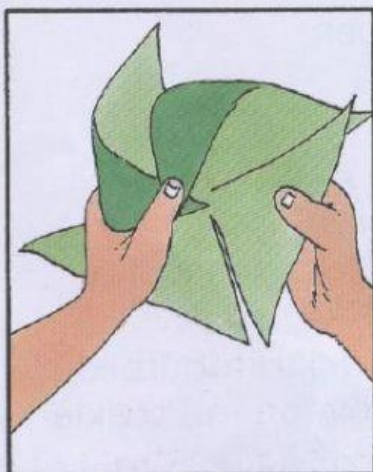

Guraizeak, kartulina
kortxoak eta orratzak
behar dituzu.

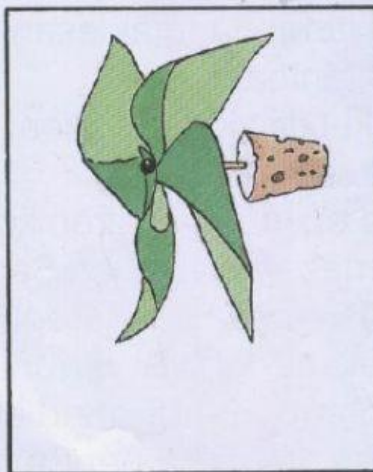

Lehenik kartulina,
lauki bat ebaki.

Gero marra batzuk
egin honela.

Ondoren, marretatik
ebaki eta tolestu.

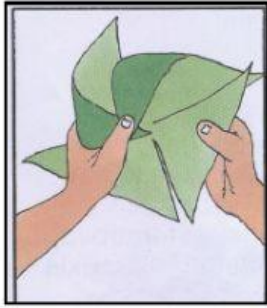

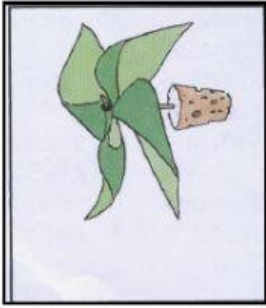

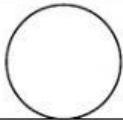

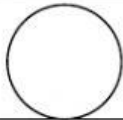

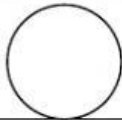

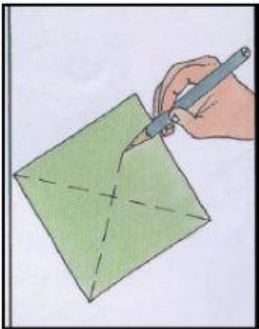

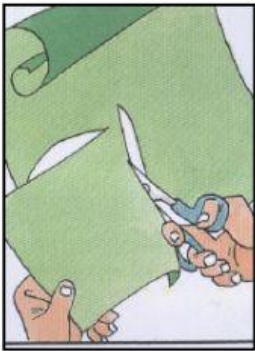

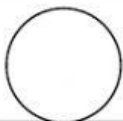

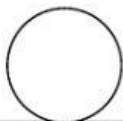

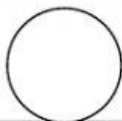

Azkenik orratz bat
ipini erdian eta
kortxoan sartu.

Eta orain putz egin
eta bueltak eman.
