Saving Lives...

|                                                                                                  |                                                                                                  |                                                                                                       |
|--------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------|
|                 |                 |                     |
|                |                |                    |
| Try to stay as calm as possible                                                                  | Stay away from furniture, windows and lamps                                                      | Stay away from buildings, walls and power poles                                                       |
|               |               |                   |
| <b>WHILE DRIVING</b>                                                                             | <b>WHILE ON WHEEL CHAIR</b>                                                                      | <b>WHILE AT CROWDED PLACE</b>                                                                         |
| If you are driving, stop in a safe place, turn on the hazard lights and stay inside the vehicle. | If you use a wheelchair, put the brakes on in a safe place and protect your head with your arms. | If you are in a crowded place, protect your head with your arms or take cover under seats and tables. |
