113 WORDS
LEXILE RANGE: 210-400L
YEAR 3**Azim Helps his Mum.**

Azim was sad. He wanted to go to the park with the other children. But his mum said he had to stay home.

Azim's Grandma was coming to see his family. He had to help clean the house. Azim had to put away his toys. He had to make his bed. He had to move his chairs. Then Mum cleaned the floor.

Then he had to watch his baby brother while Mum baked a cake.

At last, Grandma's car was coming down the road! She got out of the car. She had a big box. Azim heard a noise. It came from the box. It sounded like a meow.

1	What did Azim want to do?
2	What did Azim's mum want him to do?
3	Why did Azim's mum want him to move his chairs?
4	Why did Azim's mum want the house to be clean?
5	What were two jobs that Azim's mum wanted him to do?
6	What do you think was in the box that Azim's Grandma had?
