Day 1 Well, here I am in Rio ... finally. The flight from Istanbul took over 26 hours (changing in Dubai). Terrible! I am so tired ...

Day 3 What a fantastic city! I'm having a great time. The people here are really friendly. We had a guided tour around the city on our first morning. It's a really big, busy, noisy place. I love it! In the afternoon, some people went to Ipanema beach, but I went sightseeing and visited the National History Museum and the Imperial Palace. Yesterday, we went to Tijuca National Park and took a train ride through the forest.

Day 4 This morning, we went up Sugarloaf Mountain – the view was amazing.

Day 7 I'm in Buzios now. After the noise of Rio, it was good to have a lazy day and relax by the beach yesterday. It wasn't crowded at all. This morning, we went on a boat with a glass bottom to see all the fish, and I tried scuba diving for the first time.

Day 10 I arrived in Iguazu two days ago. We flew here on a small plane ... exciting. The hotel isn't so good, but the trip to Iguazu Falls was wonderful. The tour guide gave us a lot of interesting information as we walked along the river. Tomorrow, it's my flight home!
