

GOTYE

SOMEBODY THAT I USED TO KNOW

JULY 6, 2011

1. Watch the music video and fill in the gaps.

[Verse 1: Gotye]

Now and then I think of when we were together
Like when you said you felt so happy you could die
I told myself that you were right for me
But felt so _____ in your company
But that was love, and it's an **ache** I still remember

[Verse 2: Gotye]

You can **get addicted to** a certain kind of _____
Like resignation to the end, always the end
So when we found that we could not **make sense**
Well, you said that we would still be friends
But I'll admit that I was _____ it was over

[Chorus: Gotye]

But you didn't have to cut me off
Make out like it never happened and that we were nothing
And I don't even need your love
But you **treat** me like a _____, and that feels so **rough**
No, you didn't have to stoop so low
Have your friends collect your records and then change your number
I guess that I don't need that though
Now you're just somebody that I used to know
Now you're just somebody that I used to know
Now you're just somebody that I used to know

[Verse 3: Kimbra]

Now and then I think of all the times you screwed me over
But had me believing it was always something that I'd done

But I don't _____ live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up on somebody that you used to know
