

English Language

17th - 22nd January 2022

Saturday, 22nd January 2022

Learning Objectives:

- create at least 5 sentences using appropriate verbs or nouns about proboscis monkey.

Step to Success:

- Identify appropriate vocabulary.
- Use proper sentence structure. For example '____ have/has ____.', '____ is/are ____.'
- Use appropriate punctuations in writing.

Today, we are going to write a **description about an animal**. When describing, you need to **use adjectives to give details** about the nouns.

I will show you an example. I will describe the Borneo Pygmy Elephant.

thin, straight tusks

thick, grey skin

long, strong trunk

thin, long tail

large, strong legs

Borneo Pygmy Elephant is a species native to Borneo Island. It is a small elephant.

A Borneo Pygmy Elephant has thick, grey skin and a thin, long tail. It has large, strong legs. It has a long and strong trunk. A Borneo Pygmy Elephant also has tusks just like other elephants. It has two thin, straight tusks.

Now, it is your turn. Write a description about Orangutan.

long

strong

round

reddish-brown

shaggy

----- arms

----- fingers

-----, ----- hair

----- face

Additional information:

Diet : mainly fruits, sometimes leaves, flowers and insects

Life span : 50 years

Behaviour : spending time and sleep on trees

Write a short description about Orangutan below. Use the information above to help you.
