Unit 5: Exercise 6

Put the sentences in the correct order to describe the steps you need to take when doing an IELTS Reading matching task.

Follow these steps to help you do the exam task on the next screen.

Decide whose opinion best matches each statement.

Read the statements (questions 1–5) which summarise some of the researchers' opinions.

Look at the researchers' names.

Read the researchers' opinions in the Reading passage in more detail.

Find the places in the Reading passage where the researchers' names appear. The researchers' names will be in text order, but the same name may also be mentioned later in the passage as well.
