Hi Rosie

Thanks for your email. Here's more news from us in Montreal. It's snowing here and the view from the window is beautiful. Of course, it's very cold but that's normal for winter in Canada. What's the weather like in London?

James is working in Toronto at the moment but just for one week. He usually works in an office here in Montreal. His new job is great and he's really happy. I am still looking for work but I'm happy too. I take the dog for a walk, do some housework or go shopping and I send a lot of emails! I'm going to an Italian cookery class on Tuesdays and I can cook a lot of different pasta dishes now. I'm also free to help Jessica with all her school work.

Montreal East High School is really different from Jessica's school in London and she has a lot of homework every day. She's happy because she can walk to school here – it's near our house – and she sometimes comes home for lunch. She is on the basketball team and knows a lot of girls from playing sport.

Harrison is eighteen now. He's doing a business course at university and he's also studying French twice a week in the evenings. He can speak it quite well now and that's good because a lot of people speak French here and some of his university course is in French. He studies hard and I think he feels quite stressed sometimes. He still lives in our house but he's thinking about moving into a flat with some friends in the summer.

I'd love to see you, so yes, let's plan your visit in May. My Canadian friends say that the weather is quite sunny and warm here in spring. We can do a walking tour of Old Montreal or go to the Botanical Gardens. How long can you stay?
