

1. Napiš kolik co stojí. Stejnou částku slož z cvičných mincí.

2. Řekni, co je levnější a cenu zapiš do kroužku.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
