第四部分：工作的苦与乐

她觉得工作最困难的是追学生交功课。

她的学生常常不交功课，所以她必须打电话给学生家长。

她希望学生可以懂事一点，自动交作业，她就可以轻松一点。

令她最有满足感的是学生爱上英文，和他们的英文成绩进步。

She feels that chasing students for homework submission is the toughest part of her job. Her students often do not submit homework, hence she has to call their parents.

She hopes her students can be more sensible and hand in their work automatically, it would make her work easier.

Seeing her students fall in love with the English language and their English results improve will give her the greatest sense of satisfaction.

第五部分：对这份职业的看法

我觉得妈妈的工作非常辛苦，工作很多，时间也很长。

她连周末和假期都在改作业和准备上课的材料。

我从她身上学到了工作必须尽责，才能把工作做好。

I feel that my mother's job is very tough, she has a lot of work to do, and the hours are long.

She also has to work on weekends and during holidays to do markings and prepare for lessons.

I learnt that we have to be responsible at work in order to do our job well.
