Watch video and write what is society?

LIVEWORKSHEETS

Read the text and answer the questions:

A society consists of groups of human beings who are linked together [lɪŋk təˈgeðə] by means of specific system and customs, rites and laws, and have a collective social existence. Collective life is that in which groups of people live together in a particular region, and share the same climate and similar foodstuffs. Human life is social. Common social interests unite [ˈjʊˈnaɪt] people. We can build a better society by working on ourselves, making a concrete effort that results in good works. We can turn our energy into the good work and helpful ideas which are needed at each moment.

1. **Define the word "society".**

2. **Explain how we can build the better society?**
