## Reading

What are some typical British takeaways?  

Brits love takeaway food, but some dishes are healthier than others.

### Chinese food

The first Chinese restaurant opened in London over a hundred years ago, and now it's one of the nation's favourite takeaways. But next time, try noodles with bean sprouts, which has very few calories compared to crispy duck pancakes or spring rolls.

### Indian food

British people love curries. They spend £250 million a year on them – and they usually order too much food! Why not share your chicken tikka masala with a friend? And make sure you order boiled rice, which has very little fat, rather than fried rice.

### Kebabs

Immigrants from Turkey and Cyprus brought kebabs to Britain. Now they're a favourite nighttime snack. But ask the owner just to put a bit of meat in the pitta bread, and fill it up with salad.
