

# I WANT TO BREAK FREE

DOOR- ALONE - KNOWS – TRUE - SIDE – LIES -TIME

I want to break free

I want to break free

I want to break free from your \_\_\_\_\_

You're so self-satisfied I don't need you

I've got to break free

God \_\_\_\_\_, God \_\_\_\_\_ I want to break free.

I've fallen in love

I've fallen in love for the first \_\_\_\_\_

And this time I know it's for real

I've fallen in love, yeah

God \_\_\_\_\_, God \_\_\_\_\_ I've fallen in love.

It's strange but it's \_\_\_\_\_

I can't get over the way you love me like you do

But I have to be sure

When I walk out that \_\_\_\_\_

Oh how I want to be free, Baby

Oh how I want to be free,

But life still goes on

I can't get used to, living without, living without,

Living without you by my \_\_\_\_\_

I don't want to live \_\_\_\_\_, hey

God knows, got to make it on my own

So baby can't you see

I've got to break free.

I've got to break free

I want to break free, Yeah

I want, I want, I want, I want to break free

"The song was written in 1983 by John Deacon and released in April in 1984. The main idea of the song lies in its title, which is repeated through the text. A love theme is also present as the protagonist "has fallen in love", "can't get over the way you love me like you do" and "doesn't want to live alone".

"Queen are a British rock band formed in London in 1970. Their classic line-up was Freddie Mercury (lead vocals, piano), Brian May (guitar, vocals), Roger Taylor (drums, vocals) and John Deacon (bass). Their earliest works were influenced by progressive rock, hard rock and heavy metal, but the band gradually ventured into more conventional and radio-friendly works by incorporating further styles, such as arena rock and pop rock."
