#### D. MULTIPLE CHOICE

4. Read the following text, and choose the correct option to urban and rural areas.

##### Transportation in Rural and Urban Areas

In urban areas, there is a lot of noise and pollution. Traffic and parking are difficult. In cities, we can find public transportation such as the metro, the bus, the trolley, or taxis. In some cities, people also use their bikes to go to work or school.

In rural areas, there is little noise, and the air is cleaner. Public transport is rare, but the most common is the bus. People walk more; they also ride their horses, or use their motorbikes.

In the Amazon Region, people use canoes or boats.
