**b** Choose the correct word in italics.

'Robinsons' used to be my favourite department store. However, in the past few years I've noticed there's been a <sup>1</sup>*decreasing / deterioration* in service. Years ago, the owners used to walk around the store and chat with customers, but not now. I wish they'd <sup>2</sup>*revive / increase* that and <sup>3</sup>*preservation / preserve* those old traditions with a personal touch. However, the Robinson family have all <sup>4</sup>*died out / been lost* now and the store's owned by some anonymous company. They've <sup>5</sup>*declined / decreased* the number of shop assistants who can help you. Instead there's been an <sup>6</sup>*increased / increase* in self-service check-outs and face-to-face contact has <sup>7</sup>*been lost / revived*. I think it's a shame.
