### Listen and read.

Dear Ming,

Last weekend, we went camping in the mountains. I went hiking. My husband and our sons went fishing. They also went swimming in the lake. We all had a great time!

Tonight we're going to eat fish for dinner. After dinner, we're going to watch a movie. Later tonight, we're going to be very busy. We are going to do the laundry. With three boys, we have a lot of dirty clothes!

See you soon,  
Maria
