Mechanic: Hi, I'm the _____. What can I do for you?

Amy: My car is making a very weird noise. It sounds like this: gulug, gulug, gulug...

Mechanic: Hm, that doesn't sound good. Where is it coming from?

Amy: I'm not sure. When I'm in the car, it sounds like it's coming from the _____ (двигателя), but when I get out of the car, it sounds like it's coming from directly under the _____ (багажник), maybe the _____ (ауспых)?

Mechanic: That's not a noise a _____ (ауспых) would make. Let me take a look. Can you start the car and _____ (отвориш капака)?

Amy: Sure.

Mechanic: Well, I don't hear the sound right now, but your _____ (батерия) needs replacing, you have a _____ leak, your _____ (карбуратор) needs adjusting I need to look under the car.

Amy: Okay, go ahead.

Mechanic: Your _____ (спирачни накладки) need replacing.

Amy: But are any of those problems causing that horrible noise?

Mechanic: I don't know. I don't hear the noise right now, so it's _____ (трудно е да се каже). But that's all work you need to have done on this car anyway for it to _____ (върви)

right. It's _____ (въпрос на известно време е) before your car stops working if you don't take care of those problems.

Amy: I come in with one problem and you find 10 others. I guess you should go ahead. What else can I do?

Mechanic: Um, buy a _____ pass?
