Hello. I'm Elliot. I've got a brother, Danny, and a sister, Maisie. I like playing basketball and rollerblading. Danny likes doing water sports. He's good at waterskiing and rafting. Maisie does archery and judo at the sports centre.

My favourite subject is Music. I can play the guitar and the piano. Danny doesn't like Music. He likes Maths and Science. Maisie doesn't like Maths. She likes Science but Art is her favourite subject. We live on a farm. We've got cows, sheep and chickens. The cows and sheep eat grass. The chickens eat seeds.

Today I'm going to the cinema with Maisie. I want to watch a scary film, but Maisie doesn't want to, she wants to watch "Onward", a cartoon.
