

There is a magic place where everyone can go and have the most amazing time.

An adventure in different castles where you can find lots of fun!

In one of these castles live two princesses named Elsa and Anna. They are so beautiful and kind girls.

These sisters are special, they will tell you about their castle and lots of adventures they have.

If you want to meet them you should go there. Elsa and Anna have more friends like Olaf which is a snowman and I am sure you will love it!

Who lives in that castle?
