

# ФОНЕТИКА И ИНТОНАЦИЯ PHONETICS AND INTONATION

## PART 1:

- Listen and pay attention to the intonation.
- Repeat the sentence pairs, imitating the intonation as closely as you can. Each pair is a question-answer mini-dialogue.

## PART 2:

- Practice as many times as needed.
- Record yourself on any device, play it back and compare to the original sentences. Then try again.

|     |                                                  |                                      |
|-----|--------------------------------------------------|--------------------------------------|
