[Amazing RAK

[There are many wonderful places in the UAE. I would like to write about Ras Al Khaimah because I live there.

[First, there are amazing mountains in RAK. Jebel Jais is the tallest mountain in the UAE. It has a picnic area where you can look at the scenery and drink tea. There are also great beaches in RAK. The one near my house is nice. Finally, there are lots of animals in RAK, like camels and oryx. You can see them in the desert.

[To conclude, I think everyone should go to RAK because there are many interesting places to visit.
