

Reading Comprehension

Instructions: Study the flyer below before answering any questions.

A flyer for 'Conch Delight' Bahamian Seafood Restaurant. The top features the text 'A fun place to eat!' and 'Conch Delight' in large, bold letters, with 'BAHAMIAN SEAFOOD RESTAURANT' underneath. To the left is a drawing of a seashell and a palm tree. In the center, a box contains a cartoon chef and a list of menu items: 'Entrees from \$11.95', 'Kids Meals from \$4.25', and 'Conchie Conch Fritters from \$2.00'. Below this box, the text 'Serving' is followed by 'Breakfast - 7 a.m. to 11 a.m.', 'Lunch - 11 a.m. to 3 p.m.', and 'Dinner - 3 p.m. to 12 midnight'. The address 'Marlborough St.' and phone numbers '523-8778 - 523-8801' are listed. To the right, a 'Live Band' section indicates 'Tuesday - Sunday 7 - 11 p.m.' with a drawing of a turtle and musical notes. At the bottom, a drawing of the restaurant building is shown, with 'Free Delivery Downtown Area' written diagonally to its left and 'Junkanoo Parade, Saturdays 8 - 11 p.m.' written below it. A small drawing of two people is in the bottom right corner.

1. Other than Tuesday's and Sunday's, name TWO days that you can hear a live band at the restaurant.
2. What is the least amount of money you would spend on an adult's meal?
3. Read the statement: "This restaurant offers other seafood besides conch". Is this statement true?

4. Give evidence from the ad to support your answer for question 3.
