

LA DIVISION

Completa la siguiente división con los términos de la misma.

Diagram illustrating a division problem with missing terms and arrows indicating the relationships between the components:

$$\begin{array}{r} 114 \overline{) 38} \\ 24 \\ \hline 0 \end{array}$$

Arrows indicate the relationships between the components:

- Yellow arrow: From the top-left box to the dividend (114).
- Green arrow: From the top-right box to the divisor (3).
- Blue arrow: From the bottom-left box to the quotient (24).
- Purple arrow: From the bottom-right box to the remainder (0).
