

Next to Gabriel is Peter. He's in a Pink shirt and a grey jumper. The boys aren't wearing jackets in the photo. Then that's me in the middle, with a jacket and a checked shirt.

We're on a school trip to a national park.

This is a photo of my friends and me

This is one of my favourite photos. We're laughing because it's a fun day.

I like this photo because there are tres at the back and we all look happy. We always have a great time!

Carmen's next to me. She's wearing her favourite denim jacket and a big scarf. Gina's on the right. She's got a grey T-shirt, a green jacket and a scarf. Gina's the only one in a hat.

The boy on the left is Gabriel. He's looking down. He often looks down because he hates photos! He's wearing a black and grey hoodie.
