

Somebody That I Used to Know  
Gotye

Now and then I think of when we were together  
Like when you sell said saved you felt so happy you  
could die

Told toll old myself that you were right for me  
But left felt flew so lonely in your company  
But that was love and it's an ache I still remember

You can get addicted to a certain kill king kind of  
sadness

Like resignation to the end

Always, the end

So when we flow grow found that we could not make  
sense

Well you said that we could will would still be friends

But I'll admit that I was glad that it was over

But you didn't have to cut me off

Make out like it never challenged happened changed

And that we were nothing

And I don't even need your love  
But you treat me as similar to like a stranger  
And that feels so rough  
You didn't have to stoop so slow low plow  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I lose loose used to  
know

Now and then I think of all the times you screwed me  
over  
But had me believing it was always somebody no one  
something that I'd done doll dome  
And I don't wanna live that way  
Reading into every world were word you say  
You said that you can would could let it go  
And I wouldn't catch you hung up on somebody that  
you used to know...

But you didn't have to cure call cut me off  
Make out like it never happened  
And that we were something anything nothing  
And I don't eve even eleven need your love  
But you treat me like a stranger  
And that feels fills flies so rough  
You didn't have to stoop so low  
Have your friends collect your records  
And then change your number  
I guess that I don't need that though rough enough  
Now you're just somebody that I used to know  
Somewhere Something Somebody  
I used to know

Somebody  
Now you're just somebody that I used to know  
Somebody  
I used to know  
Somebody  
Now you're just somebody that I used to know  
I used to know  
That I used to know  
I used to know  
Somebody...
