Subject : science project

Hi Ping,

My group is staying at a hotel near the science exhibition hall. Bad news! Some test tubes got broken while we were getting off the train. As you know, We need the tubes for the project. We didn't know to find them in a short time. And the traffic was very busy during rush hour. It was our first time to take The BTS. It's easier and faster than I thought. We got the tubes in less than an hour! Wish me luck on the project presentation tomorrow.

Cheers!

Kan
