

Karolína's story

Hi, I am Karolína. I was born in Náchod and I lived there my whole childhood. In 2000 I started working as an English teacher in Jaroměř but I still lived with my parents.

In 2003 I started working in Hořice and Jičín and as it was no longer bearable to commute daily, I rented a flat in Hořice.

In 2005 I became a freelancer and in 2006 I decided to move to a small flat in Jičín.

In 2009 I started living together with my boyfriend in his house and in 2010 we got married.

Ask me:
