

Read the paragraph and answer the questions below.

Jennifer

Jennifer was very excited! Tomorrow she would be going on a trip to the mountains. First, she had to shop for a new sweater. It would be quite cool in the mountains and her old sweater was too small. Jennifer shopped for several hours. She was so busy shopping, she forgot to eat lunch. When she finally got home with her new sweater, Jennifer felt quite ill. She was so sure her trip to the mountains was ruined, she began to cry. Mother said, 'Jennifer, you're not sick. You are hungry! Eat this.' After a good supper, Jennifer felt great. She would be going to the mountains after all!
