Reading and Writing for Grade 6
Unit 7 Topic: Writing Your Favorite Film

Film reviews

Complete the film review with the words below. Check the meanings of the words in your dictionary.

plots audience costumes climax blockbusters
stars soundtrack produced

One of the biggest blockbusters ever is the film *Titanic*. It was _____ in 1997, but is still watched on DVD by thousands of people every week.

There are really two separate _____ – the story of a ship sinking, and the story of two young people in love. The two people are the _____ of the film, played by Kate Winslet and Leonardo DiCaprio. The _____ of the film is when the ship is sinking, and the _____ doesn't know who will survive.

It is not only the plot which is fantastic, however. As the story takes place in 1912, all the characters, but especially the rich people, are dressed in beautiful old-fashioned _____. In addition, the music adds to the story – the _____ is almost as popular as the film itself.
