### Designing with colours

#### Activity 6

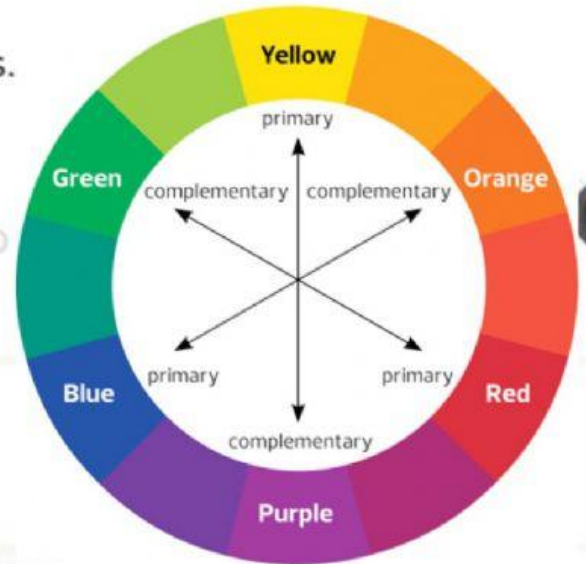

Theory

Ahmed is learning about designing with colours.

Help Ahmed by answering these questions.

Write your answers below.

Using the colour wheel, name the complementary colours that go well with the colours in the table:

| Colour | Matching Colour |
|--------|-----------------|
| Blue   |                 |
| Yellow |                 |
| Red    |                 |
