A Healthy Life

Nicole is a very good student, but she doesn't have a very healthy life. She has French fries and cupcakes for breakfast. She knows it's not good, but she doesn't know what else to eat. Last week, her parents took her to a nutritionist and she has started a new healthy diet. Now she knows she should eat more vegetables and fruits. She feels happy because she will be healthy very soon.

Now, in the mornings, she has scrambled eggs and carrots. And she drinks milk instead of soda. Then she goes to school. For lunch she has vegetable soup, fish or chicken, and fruit for dessert. She says she feels better and more energetic!

Examples:

- 0 Nicole doesn't eat very healthy food.
She visited a nutritionist to learn about good eating habits.

Questions

- 2 After visiting the nutritionist, she doesn't drink _____ anymore.
- 3 Her new diet makes her feel _____.

Nicole was not very interested in sports or any physical activity. But then she met a new friend online. He invited her to join a swimming club. This changed her routine. She doesn't play videogames in the afternoon anymore; now she goes swimming. After that, she goes back home and prepares her own dinner. She loves eating salad in the evening, and juice and fruit, too! Her parents are very happy because she has some very good new habits.

- 4 Nicole has a new _____.
- 5 She takes _____ lessons in the afternoon.
- 6 She has _____ for dinner.

Nicole and Pete, her new friend, spend a lot of time together. They go roller skating on Saturdays. Nicole's brother doesn't like roller skating, but he loves riding his bike, so he goes with them to the park. Then their parents pick them up and they all go for lunch. They all understand that a healthy diet is important, so they usually eat a bowl of soup, some meat, and lots of vegetables.

- 7 On Saturdays, Nicole and Pete _____.
- 8 Nicole's brother prefers _____ to roller skating.
- 9 Nicole, her brother, and Pete go to _____ together.
