Accommodation

- 5 Complete the email with one word in each gap. First and last letters are given.

Hi Jo,

You asked me about places to stay. There's an expensive 4-star ¹hotel. It's got a swimming pool and a nice restaurant but we can't stay there! There are some ²g s and ³b d and ⁴b t places but they are small with only three or four rooms. I'm worried about coming back late at night or making a noise. I don't want to stay somewhere which is just like being at home!

Another idea is to stay on a ⁵c e. I've got a tent but what about rain? I think the best place to stay is the local ⁶y h h l. There are rooms for 4 or 8 people. It's a good way to meet interesting people and it's very cheap. What do you think?

go at (a time)	

Think about one of your holidays and write sentences using all the expressions above. This will help you remember them better.

Holiday memories

Last year, my friends and I went to Portugal. We ¹travelled by plane. When we arrived, we got a ²_____ from the airport to the ³_____ where we stayed. It was very big and right next to the sea. The town was a nice size and we went to the beach and the shops on ⁴_____.

It wasn't expensive so we had some money to spend. We ⁵_____ around on motorbikes and visited the ⁶_____. We had a great time but, really, it was a ⁷_____ holiday – lying in the sun and swimming in the sea. The only problem was that there was only one restaurant in the area and we couldn't ⁸_____ a reservation. Some days we waited an hour for a free table but the food was delicious.

On the last day, we ⁹_____ a local market and bought some clothes and souvenirs. We were worried the next day because we forgot to book ¹⁰_____ for the journey back to the airport but it was OK. There were three free places at the back.

All in all, it was a wonderful time. We're going again this year. Sally booked the ¹¹_____ last week. London to Faro, July 10th!
