

Subject: Mathematics page 193-202 (Grade 2)

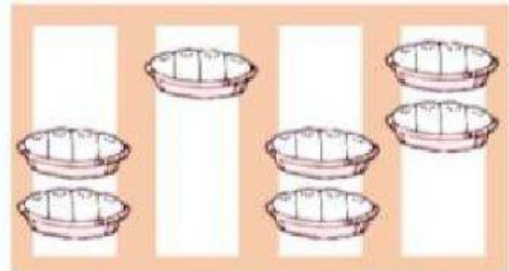

Name: _____ Class: _____ No: _____

Exercise: Identify the pictures that show 4 equal groups.

1)

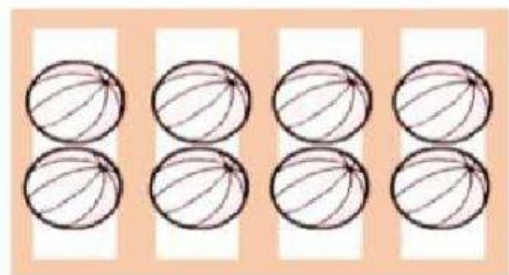

2)

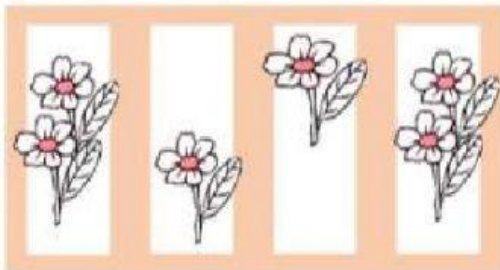

3)

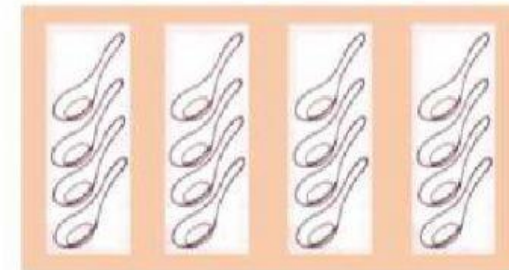

4)

5)

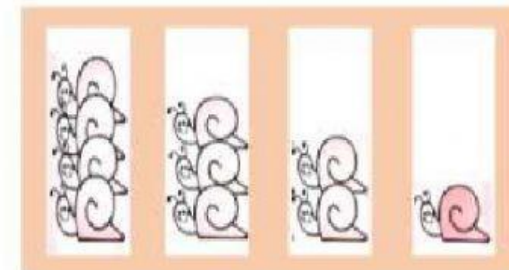

6)

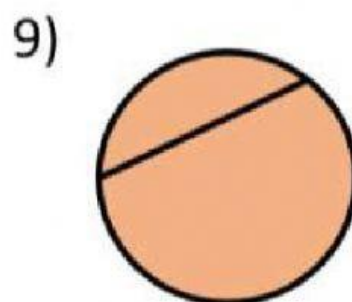

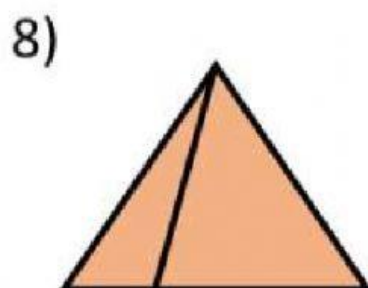

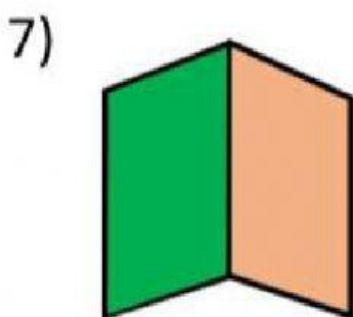

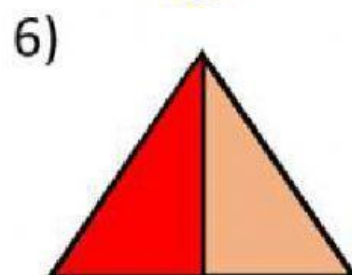

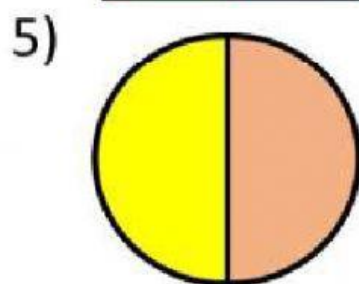

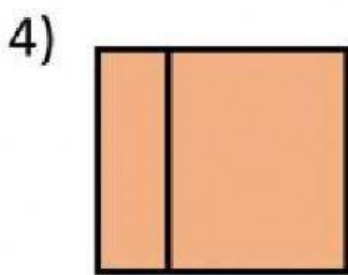

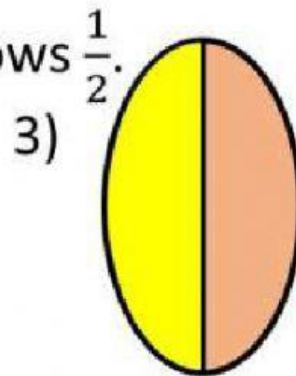

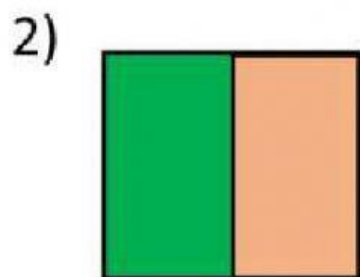

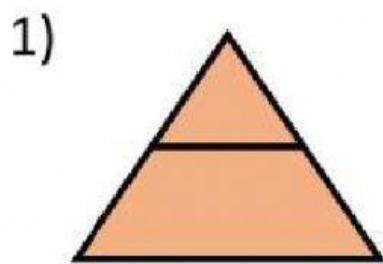

7)

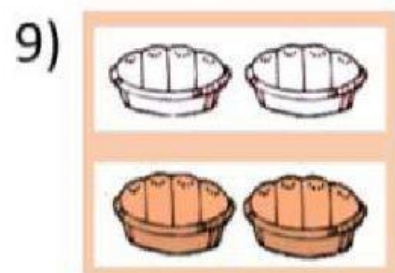

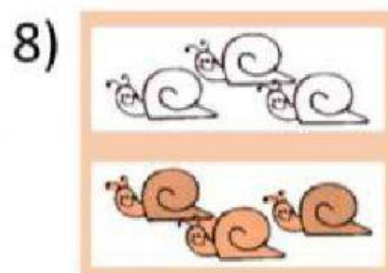

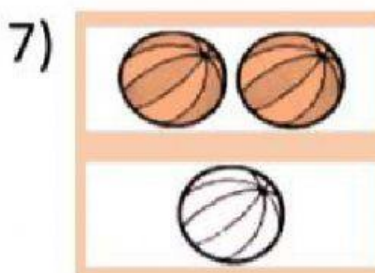

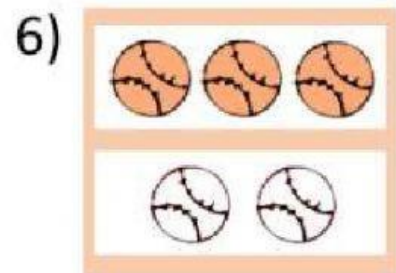

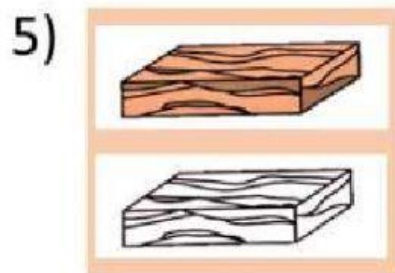

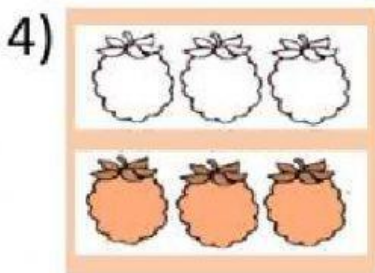

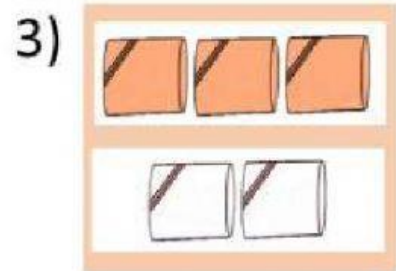

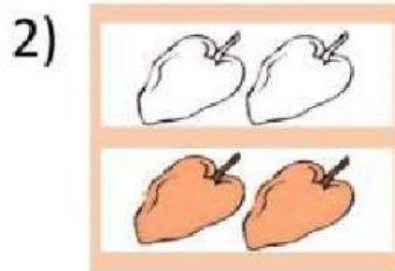

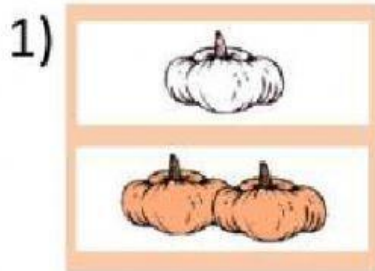

8)

Exercise: Look at the pictures and identify the part that shows $\frac{1}{2}$.

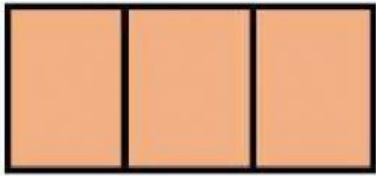

Exercise: Identify the groups of items that show one half.

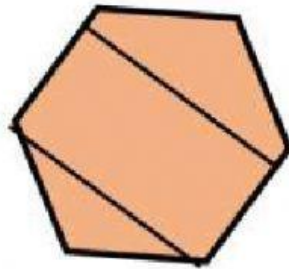

Exercise: Identify the figures that are divided into 3 equal parts.

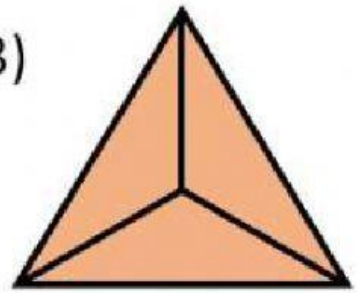

1)

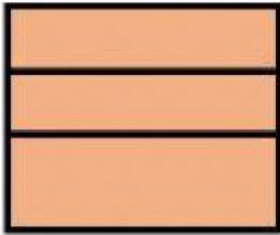

2)

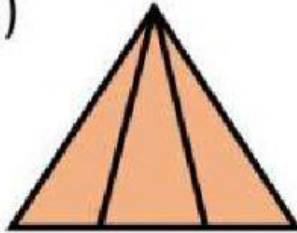

3)

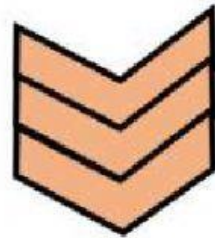

4)

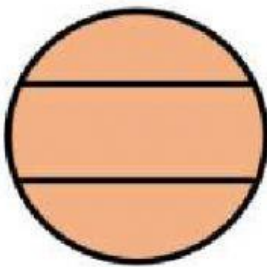

5)

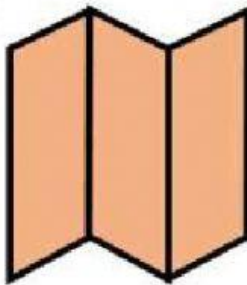

6)

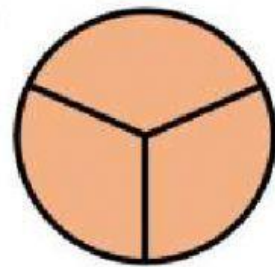

7)

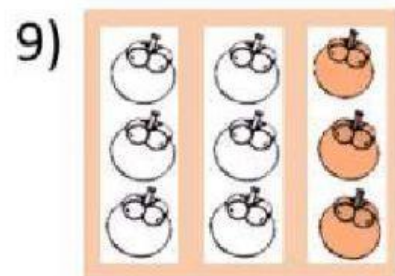

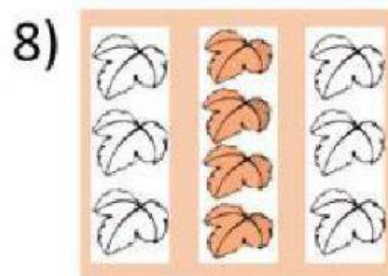

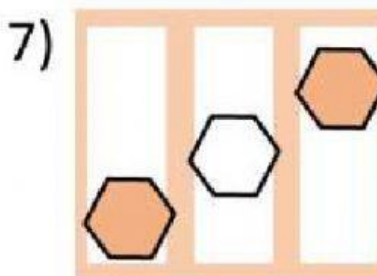

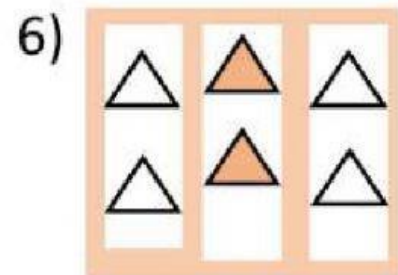

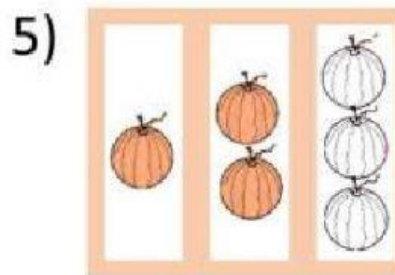

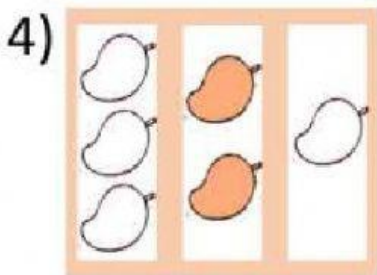

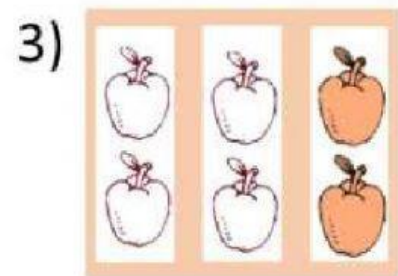

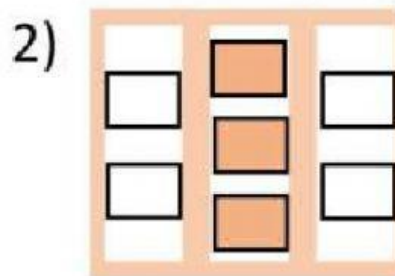

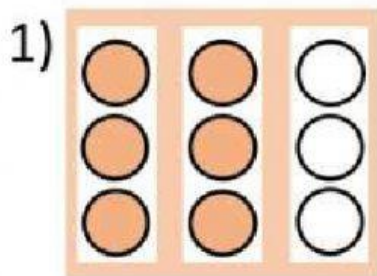

8)

9)

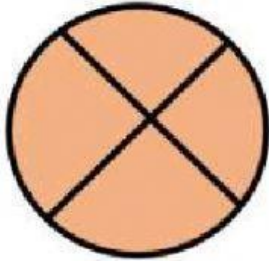

Exercise: Identify the groups of items that show one third ($\frac{1}{3}$).

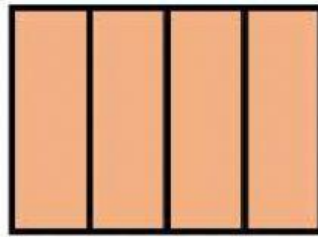

Exercise: Identify the figures that are divided into 4 equal parts.

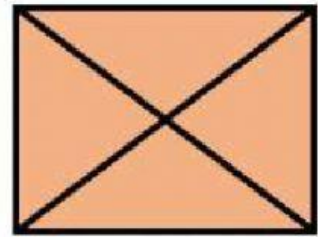

1)

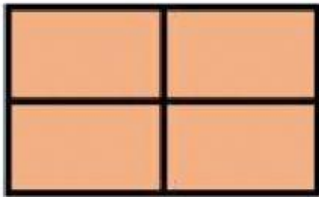

2)

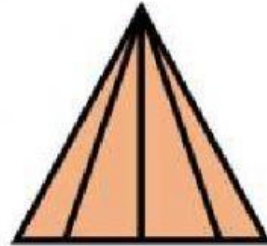

3)

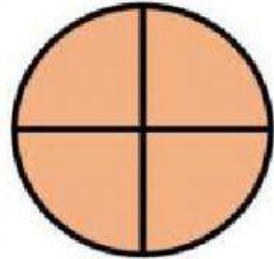

4)

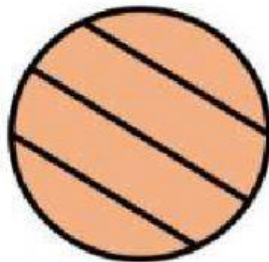

5)

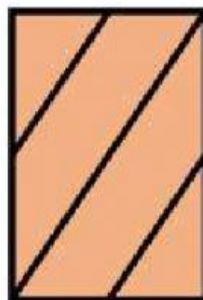

6)

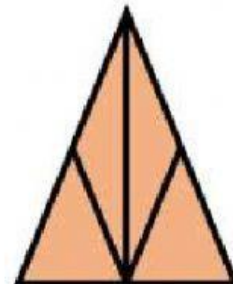

7)

8)

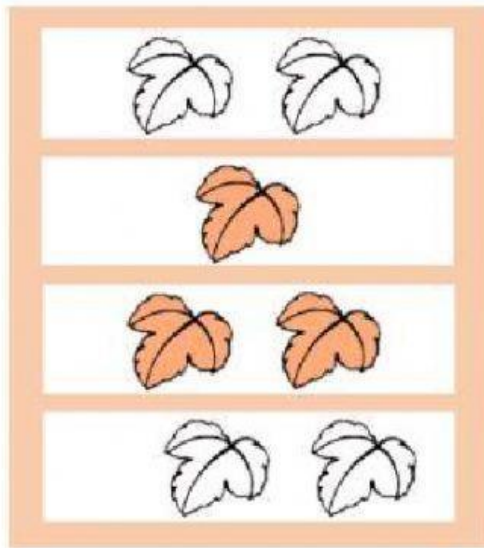

9)

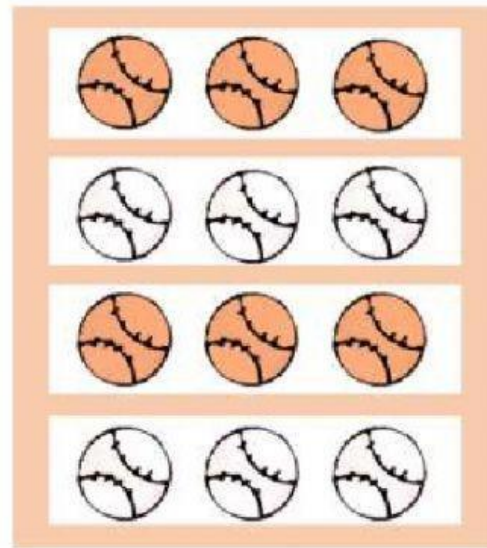

Exercise: Identify the groups of items that show one fourth, $\frac{1}{4}$.

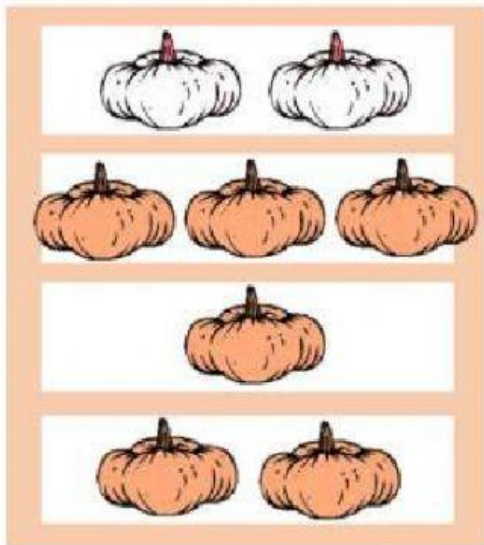

1)

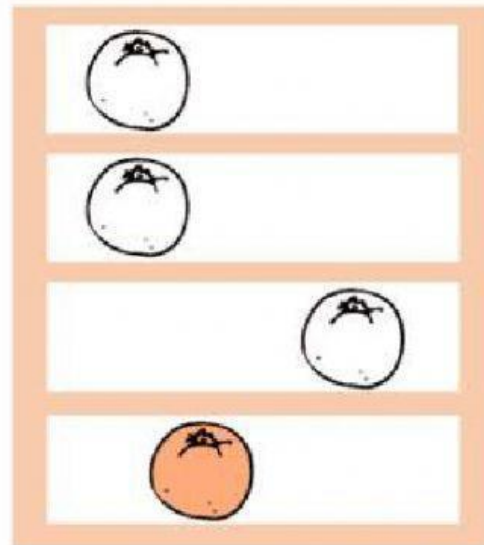

2)

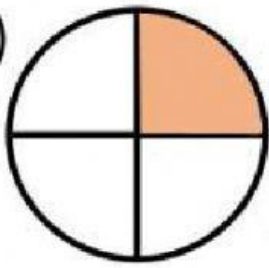

4)

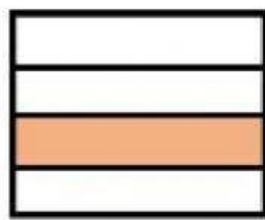

3)

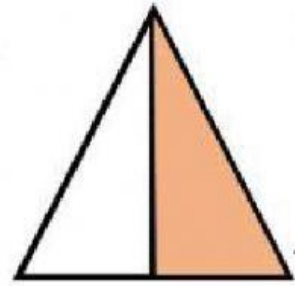

1)

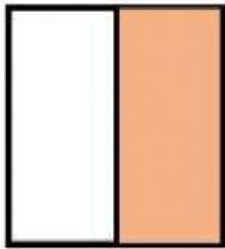

2)

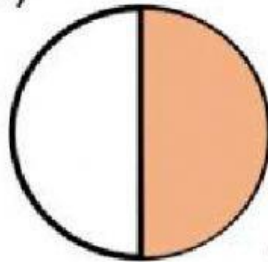

3)

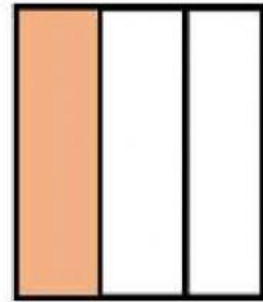

4)

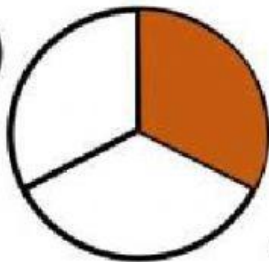

5)

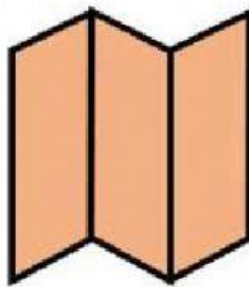

6)

7)

8)

9)
