

**What is the biggest lie
in the entire universe?**

To get to the other slide.

How does a computer get drunk?

It had a hard drive.

**Why did the PowerPoint
Presentation cross the road?**

**It made me so angry I
threw my beer at him.**

**Why did the computer show up at
work late?**

**"I have read and agree to
the Terms & Conditions."**

I saw a driver texting and driving.

It takes screenshots.

**Christmas is coming!
Why are you crying Lilly?**

**The second page of
a Google search.**

**The guy who invented auto-
correct for smart phones died
today.**

Restaurant in peace.

**What do computers eat for a
snack?**

**we buried him in rice and
he came back a day later!**

**Siri, where is the best place to
hide a body?**

Microchips.

**I work in tech support and one of
my co-workers drowned last
week...**

**Thanks to autocorrect I am
getting a visit from Satan
this Christmas.**
