

**Read and complete the dialogues with the correct options.**

I think video games are the most entertaining thing ever invented.

I think the cobra snake is the deadliest animal around!

Cars are the fastest man-made machines in the world.

1- .....

- That's not true! I think sharks are the deadliest animals ever.

2- .....

- Are you joking? In my opinion, rockets are the fastest.

3- .....

- I don't know. I sort of like TV.
