Hey James,

January 4, 2022

I'm writing because Sam said you needed some of my information to help me with my citizenship application. I cannot believe it has taken me so long to apply. I can't believe I arrived here in 2016.

My full name is Janet Forb and I'm originally from France. I am currently single and live with my roommate and best friend, Lena Smoth. We live at 730 Shawnee Road in Tecumseh Ontario in apartment 5. The postal code is N8N-4G4.

Um, what else do you need? Oh yes, my phone number is 226-622-6262. Text me before you call or just email me at janetforb@gmail.com and I'll probably get back to you sooner.

Right now, I'm studying business at St Clair College and I graduate this year! Can you believe that!?
