

Wh- Questions

Around half of the questions you will hear in Part 2 of the TOEIC test are *Wh-* questions. These questions ask for specific information, and begin with the words *What*, *When*, *Where*, *Who*, *Whose*, *Why*, and *Which*. In addition, *How* is also grouped together with *Wh-* question words, because it asks for specific information in a similar way.

Responses to *Wh-* questions can be short or long. Sometimes the response is simply a word or short phrase, but you will often hear a complete sentence.

Exercise A Complete each short dialogue using a *Wh-* question word from the box.
